Hi Gabriel - Tim is in UK time zone so won't be able to respond for several hours given it is the middle of the night there, but I believe he is going to be working on the initiating the test transactions tomorrow his time. I'll let him respond once he has initiated the test transaction so that you can be on the lookout to confirm and then he will be able to send the remaining payment shortly thereafter.

Best,

Dan

Dear Gabriel,

We would like to finalize the assignment of the claim with the USDC payment per the assignment of claim contract.

The process we undertake is for you to send your wallet address which we will check against the contract. I will then send a 10 USDC test payment and once you have confirmed I will send the balance to complete the transaction.

Please send over your wallet address in order for us to start the process.

Best regards,

Tim Babich
